# Feel like dining with Swedish hottest design duo?

Stockholm, January 10, 2011

## **Design by Leftovers – pre-loved can be re-loved.**

The incredible selection of Couture furniture has now found a way to the dining room.

Dining in style just got an entire new meaning. The personal Couture furniture is becoming an intriguing trend in some well-known dining rooms.

Director Jonas Åkerlund, is the latest celebrity who has chosen the duo, to design the dining room. Each chair has an individual style and Jonas personally selected the theme.

The designers are continuing their craftsmanship with the launch of a new collection and a number of amazing new couture items.

The duo will be represented at the Stockholm Furniture fair in Hall A, from the 7–11th of February

January 2011
